VELAP ID: 460314

Dear Jade Holliman:

The Division of Consolidated Laboratory Services (DCLS) has accredited Waypoint Analytical - Charlotte pursuant to the provisions of 1VAC30-46 and The NELAC Institute (TNI) 2016 Standard. Certificate number 14101 and the corresponding Scope of Accreditation are enclosed. This certificate expires 09/30/2026. The certificate must be conspicuously displayed in the laboratory along with the associated Scope of Accreditation.

Please note that your laboratory is required to notify the Virginia Environmental Laboratory Accreditation Program (VELAP) in writing of any changes in key accreditation criteria within 30 calendar days of the change per 1VAC30-46-90 A. This requirement includes changes in ownership, location, key personnel, and major instrumentation.

To maintain accreditation, the laboratory must continue to comply with 1VAC30-46. This includes ongoing satisfactory proficiency testing. The method checklists used by VELAP in the on-site assessment process are available upon request as a supplement to internal audits.

Please direct all correspondences and questions regarding accreditation to your laboratory's lead assessor, Travis Harris, at travis.harris@dgs.virginia.gov or (804) 648-4480 x301.

Sincerely yours,

Cathy Westerman
Manager, Laboratory Certification Program
